SKILLS SUMMARY

Languages: Python, C, C++, JavaScript
Frameworks & Libraries: Django, lib curl, Node.js
Databases: Oracle Database, Microsoft SQL Server
Developer Tools: VS Code, Git, GitHub, Figma
Soft Skills: Critical Thinking, Adaptability, Time Management

INTERNSHIP

Jun 2026 – Jul 2026

Python Developer Intern — Infosys Springboard |

- Developed Python-based applications and automation scripts to process data and solve programming tasks, strengthening practical Python and problem-solving skills.
- Applied debugging, exception handling, and modular programming while documenting solutions and maintaining code using Git/GitHub.

PROJECTS

Spend Wise – Personal Expense & Budget Management System | GitHub | Jul 2026 – Aug 2026

- Developed a **full-stack expense management application** using **Python, Flask, JavaScript, and MySQL** to manage income, expenses, categories, and monthly budgets.
- Designed a relational database schema and implemented RESTful APIs with CRUD operations for secure and structured transaction management.

Tech Stack: Python, Flask, JavaScript, MySQL, HTML, CSS

Student Track – Student Result Management System | GitHub | Sep 2026 – Sep 2026

- Built a console-based student result management system using C++ and object-oriented programming to manage student records and academic performance.
- Implemented classes, functions, arrays, file handling, searching, sorting, and input validation for student data management.

Tech Stack: C++, OOP, Data Structures, File Handling, Git, GitHub

TRAINING

Web Development – HTML, CSS & JavaScript Fundamentals | Certificate | Aug 2026 – Aug 2026

- Completed structured training in frontend development covering HTML5, CSS3, JavaScript, DOM manipulation, events, forms, and responsive web design.
- Built interactive web pages and applied JavaScript functionality to strengthen frontend development and client-side programming skills.

CERTIFICATIONS / CERTIFICATES

Programming Fundamentals using Python | Infosys Springboard [View Certificate](#)

Time Management | LinkedIn [View Certificate](#)

2025

Introduction to Cyber security | Infosys Springboard [View Certificate](#)

2025

EXTRACURRICULAR ACTIVITIES

House Captain — Led a student team, coordinated participation in school events, delegated responsibilities, and motivated members during inter-house competitions.

2023 – March 2025

EDUCATION

Lovely Professional University Bachelor of Technology - Computer Science and Technology — CGPA: 7.67 Present	Punjab	2025 -
Dev Memorial Public School Senior Secondary (Class XII) — Percentage: 74.87		April 2024 – March 2025
